

Facilities

Digital Classroom

Classrooms are spacious, Fully Air conditioned and well ventilated to provide the right ambience for an effective learning experience at school.

Every class is digitally smart class with interactive boards and SAS Technology which makes learning seamless throughout the year.

Labs in the School

The School has well-equipped laboratories for Physics, Chemistry and Biology. The school also houses a 3D Lab, Computer Lab, Jodo Gyan - Math Lab, Robotics Lab and Schiller Research Club Lab.

Education Resource Planning (ERP)

Schiller-ERP is a web based system that enables parents to access students' information and continual progress in real time. Parents can access students and school related activities on the web using a secured login provided to them. It is a programme that integrates all data and processes of the school into a single unified system. It is a complete school management and effective resource planning tool. School ERP is the link between everyday school life of students and his/her growth.

ERP provides information of students and school:-

The students profile and details as it exists in the school records

Attendance, Discipline, Date sheet, SAG, Monthly Planner, Date sheet, Marks and Grades obtained in Examinations

Latest Circulars and notices issued,

Latest happenings in the school.

Fee status, Mailing facility, photo gallery, all activities report.

MOBILE App: for busy high-tech parents school has started mobile app service. With this you can access ERP on your mobile only.

Medical Room

The school has a health unit that looks after the well-being of all the children. Our well-trained and qualified nurse keeps an eye on their general physical condition and provides first-aid treatment in times of need.

Transport

School buses are available from Rajnagar Ext., Muradnagar, Indirapuram, Crossing Republic, Vasundhara, Vaishali, Morta and all zones of Ghaziabad with GPS facility.

Security System

Our School has well-equipped professional security staff & rigorous security check points so that students are not able to carry any electronic or unwanted material inside the school campus. The school is under CCTV surveillance. For safety reasons, we do not hand over your child without checking the Parents ID Card.

School Library and British Council Library

The library comprises of books and e-books to enhance the thinking and creative skills of the kids. A very extensive references section helps students work on multi-dimensional projects. The goal of the school library is to ensure that all members of the school get an equitable access to all the books. The library has a great collection of fiction, non-fiction and reference books. The School Library has more than 15,500 books with latest collection of subject reference books supplementing the textbooks. Students find information from these collections to do their research and project work. School E-Library contains Latest Study material CD's.

Sports Facility and Sports Academy

Sports activities are based on right sport activity for fitness and talent and strength of our children. The club stimulates the physical as well as mental strength of the student. They are trained for balancing, weight training and hurdles. They are given exposure to all kinds of Sports- Basketball, Badminton, Football, Volley ball, Billiards, Skating, Table tennis, Kho-Kho, Archery etc. Students have won laurels at National and International level also.

PEC activities – under this juniors, strongly imbibe learning by physical mode thus using and developing their Gross Motor skills.

Remedial Classes

Each child is different in terms of learning ability, academic standards, classroom teaching learning and academic performance and each has his own in learning. The aim of remedial classes is to provide learning support to pupils who lag far behind their counterparts in school performance. We at schiller provide intensive remedial support to help pupils consolidate their basic knowledge in different subjects, master the learning methods, strengthen their confidence & enhance the effectiveness of learning.
