Students marked their footsteps in the history of inventions and research. They made Schiller family proud by making energy-efficient Solar Car "Aura".

Eye catchers becoming showstoppers

With constant and Regular guidance of teachers and parents students who need extra attention created history in their Board Exam and came out with flying colours.

I am thankful to my teachers parents and school. The school arranged remedial classes and supported me on whatsapp even in the late night hours. My marks was boosted when I was awarded as young achievers in school's annual function.

Atul Gautam

The school arranged remedial classes and teachers supported me and established an whatsapp group which helped to clear my board exam with flying colours.

Alok

I was not doing well in English but due to motivation and extra guidance by my English teacher at school I am able to score good marks in English.

Aditya

I was not doing good in accounts but with the special initiative of my teachers I am able to pass with good marks.

Prachi

I was not good in physics but with the extra efforts taken by my physics teacher in the school I am able to pass in physics with good marks.

Mayank

I was facing a lot of problem in accounts but with the support and guidance of school I am able to pass in account with good marks.

Ashutosh

I was finding the chemistry subject a difficult one however our chemistry teacher took lot of initiative in helping me out on whatsapp and boosting my morale every now and then I am able to pass in chemistry with good marks.

Nehid

I was not serious about my studies but due to the continuous counselling and guidance of my teachers I am able to score good marks in board exam.
